# **WOW TWIRLER 2014- JACEY**

Jacey Callahan is 11 years old and a student at Bella Vista Elementary School. She has been twirling with the Buckeye Cuties since she was three years old. She joined the competitive team at the age of six. Jacey won her first gold medal at the Jr Olympics in Tennessee, competing in basic strut when she was only three years old. Competing in Stockton was her first Nationals. The two most memorable events in her twirling career is having her team win Nationals and being the 2014 WOW Twirler.

Jacey has 5 dogs, 2 horses and in the springs she raises a pig for the fair. Jacey is also involved in the band at school, plays the clarinet, and is a part of the choir. But more than anything else her favorite things to do is play with her American Girl doll and do crafting. Jacey has always been a great team player, encouraging her team to be the best they can be whether they are twirling baton or in everyday life. She really enjoys getting everyone a good luck gift and spending time with team mates outside of baton. Congratulations to Jacey .
