

Good Day California's Athletes, Coaches, Professionals, Families & Sponsors,

We are excited to welcome you all to the 2021-2022 baton twirling season. As we break through this Delta variante, we are developing a calendar of events for our athletes, coaches, professionals and families. Our theme for the 2021-2022 Baton Twirling Season is the quote, One Choice by Marcy Blochosiak, "You are always One Choice away from changing your life."

Please check the California Baton Council website and the California Baton Council FB page for up-to-date information. There are baton twirling events the CBC have already scheduled for the next three months, including back by popular demand ALL-IN Critiques via ZOOM or video, in-person CAS meets in the Sacramento area and the Bay area, an October Competition in Southern California. For athletes wanting to compete in NBTA, their State Championships are in November in Southern California. There are also traveling opportunities for athletes, coaches and professionals out of the state of California beginning in October.

We look forward to hearing from all of you as to what value the California Baton Council Board of Directors may bring to you and your twirling neighbors. If any of you are interested in becoming a volunteer for a California Baton Council Committees please connect with me, so I may forward your interest to the Committee Chair. Your voice and commitment to our sport is always welcome.
