Tabulation:

Jeanne DiPaola, Fremont

Julia McCrone, CA

Tabulation Assistant:

Alexis Enos, CA

Sanctioned by the US Twirling Association

Co-Contest Directors: Paige Campbell, Sarah Enos and Kurtis Hubbell

The following information will be helpful for the 2024 CA State Championships:

1. Please check your travel route to Fremont for the weekend. Interstate 680 will be having road closures that could cause delays in your travel time.
2. Athletes, coaches, and spectators may sit in the bleachers, lobby or use the outdoor area. Restrooms are located in the main lobby.
3. The center of the bleachers will be designated as a judging area for teams, and freestyles. Please be aware of this space and find a seat accordingly.
4. There will be a small warm-up area set at the back for athletes and coaches to utilize three sets before athlete's set.
5. For the official team warm-up, clubs/coaches will be given a specific amount of time based on the number of entries for that club/coach. There will be a posted order with allotted time given prior to the competition. The time will start once the warm-up time begins.
6. During Foundation Marching Events and Presentation results will be announced by announcer while judge passes out awards individually at each table. The announcer will call one table at a time.
7. For CAS evaluations/critiques, all scoresheets/paperwork will be handed directly from judge to athlete. Athletes will check in with CAS Lane Starter. Please bring USTA CAS Booklet.
8. There will be NO SCORE SHEETS for May Madness or State Competition. Athletes will acknowledge score(s) and leave lane in a timely manner. Next athlete should stand to side or back of lane until lane is clear.
9. All scores will be flashed for competitive events at May Madness and CA State. All FINAL round scores will be announced.
10. All results will be posted on the wall using QR Code for the event.
11. The awards table will be open when Novice, Beginning, Intermediate, and Advanced events begin on Saturday morning. Please encourage athletes to check the table once the results are posted to receive their award in a timely manner.
12. When the music is playing, it is best practice to not have a lot of movement in the arena. Please try your best to avoid walking across the gymnasium while the music is playing. It can distract the athletes and judges as well as the safety of everyone is the utmost importance.
13. Any video taking must be done from the bleachers and not on the main floor from any angle. This is a USTA National Rule. Thank you in advance for understanding.
14. The CBC will provide an official photographer(s) for awards ceremonies and throughout the event. Please allow for official photographer(s) to have priority of shot.
15. Signage will be posted throughout the building for pictures.
16. There will not be a snack bar, so please bring your own food and plan to clean up your area before departing the building. Trash cans will be available throughout the building.
17. Throughout the competition, the judge's table schematic may change. It is a great time for parents to volunteer on the spot to change up the floor plan quickly and efficiently.
18. Thank you to Buckeye Cuties, Generations, K & K, Nash Twirling Academy, Revolution, Syndication and Valley Baton Club for your generous donations and time to make this event a SUCCESS!

Co-Contest Directors: Paige Campbell, Sarah Enos and Kurtis Hubbell

Try to remain seated when the music is playing. No flash photography.
All video taking needs to be from the stands. Thank you!
